## Capabilities Statement

### Capabilities

Stillwater Septic Service Sewer and Drain Cleaner, Inc. has been offering its expertise in managing a wide range of septic and sewer maintenance needs for over twenty years, and is proud to be an industry leader in services including:

- Septic Tank Pumping
- Grease Trap Pumping
- Drywell Pumping
- Storm Water Mangement
- Hydro-Jet Drain Cleaning
- Wet Well Cleaning
- Storm Drain Cleaning
- And Much More!

We understand the pressures that exist during an emergency septic situation, and our technicians are expertly trained in managing these situations at a high level of proficiency. Our reputation is built upon our goal-oriented approach that is applied to each job we embark upon.

### Differentiators

Stillwater Septic Service Sewer and Drain Cleaner, Inc. is proud to be regarded as an industry leader in the sewer and drain service arena. Not only do we pride ourselves in the execution of our services, but we also have gained a reputation for investing ourselves above and beyond the standards of expectation. We guarantee the quality of each job from conception to completion, and our clients appreciate the exhaustive process we follow to minimize the potential of subsequent complications.

The customized teamwork approach that we offer to our clients has allowed us to not only grow our company exponentially over the past two decades, but it has also granted us the opportunity to maintain an impressive customer retention rate. As a small business, the quality of our services is tantamount to our success.

### Past Performance

Stillwater Septic Service Sewer & Drain Cleaner, Inc. has provided exemplary service to several mid to large sized commercial clients. The brands who have entrusted us with their business include:

- Wegmans
